start die bende 2013

Deze week namen meer dan 100 jongeren DE Studio over. Komende uit heel Vlaanderen en Brussel, gingen ze de dialoog aan met 'het stad'. Vandaag tonen ze hun artistieke interpretaties van het thema city life in 10 grensoverschrijdende ateliers: Street Art Studio, Theatrical Installations, Urban Dance, Soundlab, Urban Exploration, Digital Storytelling, Graphix / Mixed Media, Slam Poetry, Urban Orchestra en Performing Arts. Cutting edge dus uit de Kunstbende- en Piazza-stal.
